KINDERGARTEN SUPPLY LIST 2025-2026

Our Lady of Peace Elementary School promotes community and cooperation. It is important students have the materials and supplies that are needed to complete work. OLOP purchases some supplies and resources for each classroom to support learning. For ease in moving about the classroom, we need to have supplies in a variety of places. Your cooperation and continued support is appreciated. The supplies on the list below are items that all students use to support learning in our classrooms and will be distributed during teaching, assignments, and other learning opportunities so students are prepared for all work. This reduces loss of instructional time and enables students to complete work on time. Student names do not need to be on supplies. Thank you again for supporting learning in our classroom by purchasing the supplies listed below for community use.
